MISSION STATEMENT

The purpose of the Illinois Raptor Center is to ensure the well-being of native animals through wildlife rehabilitation; to increase conservation awareness through educational outreach; to contribute expertise and support to conservation partners; and to improve our understanding of wildlife health through hands on research.

Dear Donor

Thank you for your interest in making a charitable gift to benefit the Illinois Raptor Center in the form of a Stock Transfer. Your gift will be greatly appreciated.

The Illinois Raptor Center has what we call our "Forever Fund" where we have received donations of stocks and other investments from generous folks like you. If your stock is held in a brokerage account, your broker can assist you in making a direct transfer with the information we have provided on the attached Stock Donation Form.

This gift should provide you with a much better tax benefit than if you were to give cash. Your charitable income tax deduction is equal to the fair market value of the stock. You will avoid paying the capital gains tax on any increase in the current value over the original cost of the stock. You may also save on fees because you will be transferring ownership rather than selling the stock.

The IRC wants you to get all the tax benefits from your gift that is available to you. Please consult with your tax advisor before making the donation.

Thank you so much for considering the Illinois Raptor Center as the recipient of your charitable gift.

Sincerely,

A handwritten signature in black ink that reads "Jane Seitz". The signature is written in a cursive style with a large, looping initial "J".
